Since its formation in 2008, the Foundation's asset value has grown over five-fold. This is in large part from the results of the planned giving of our Legacy Society members who have passed away and remembered the Foundation in their estate plans. However, a significant portion of the growth is from current giving and from prudent and successful management by the Foundation's Investments Committee.

You have the ability to designate a cause or ministry to which your planned contribution to the King of Glory Foundation is to be dedicated. This can be the creation of a new fund, or an addition to the existing Funds within the Foundation.

Did you know #18?

Are you concerned about what the size of your estate may be at the time of your death and therefore are uncertain about what dollar amount you wish to leave to the Foundation? The large majority of planned gifts, according to input from our Legacy Society members, are expressed as a percentage of the donor's estate, rather than as a dollar amount. Most donors feel that this achieves their goals more simply than trying to decide upon a fixed dollar amount.

The balance in your IRA and other retirement accounts (such as 401(k) or 403(b) accounts) are still subject to ordinary income treatment for income tax purposes, even after your death. To avoid or minimize this costly problem, consider naming one or more charities (such as the King of Glory Foundation) as the beneficiary of your IRA or similar plan after your death. Since the Foundation is exempt from income taxes, this additional tax cost is avoided.
